JLH

JERRY L HOOVER

FRONT END DEVELOPER | REALJHOO.COM

OBJECTIVE

To get a job as a front end web developer.

Portfolio

SKILLS

I am a front-end developer with back-end (SERN Stack) knowledge with a Techdegree from Team Treehouse. I enjoy learning, teaching and creating cool things. I'm a critical thinker and logical analyst, good communicator and a fine writer and editor. I love to code. Also, I grill really good steaks.

EXPERIENCE

FRONT END DEVELOPER • TWO BRAVE DOGS • 2020 - PRESENT
Front end web development consultant for one of Texas' premier web development and data management app providers in the fields of education and local government.
