JLH

JERRY L HOOVER
FRONT END DEVELOPER | REALJHOO.COM

OBJECTIVE

Lifelong learner with hands-on proficiency in JS, React, Vue, MySQL, Node and Express who is skilled in collaborating with designers, developers, clients and stakeholders to achieve the objective.

A creative problem solver and excellent team leader, requiring minimal supervision, with a "can do" attitude who can push a project to completion while rallying a team to give their best.

[Portfolio]

ABOUT ME

I'm a self-taught front-end developer with back-end knowledge gained from [Front End] and [Full Stack] Techdegrees from [Treehouse]. I enjoy learning, teaching and creating cool things. I'm a critical thinker and logical analyst. And, I love to code.
